## Foreword

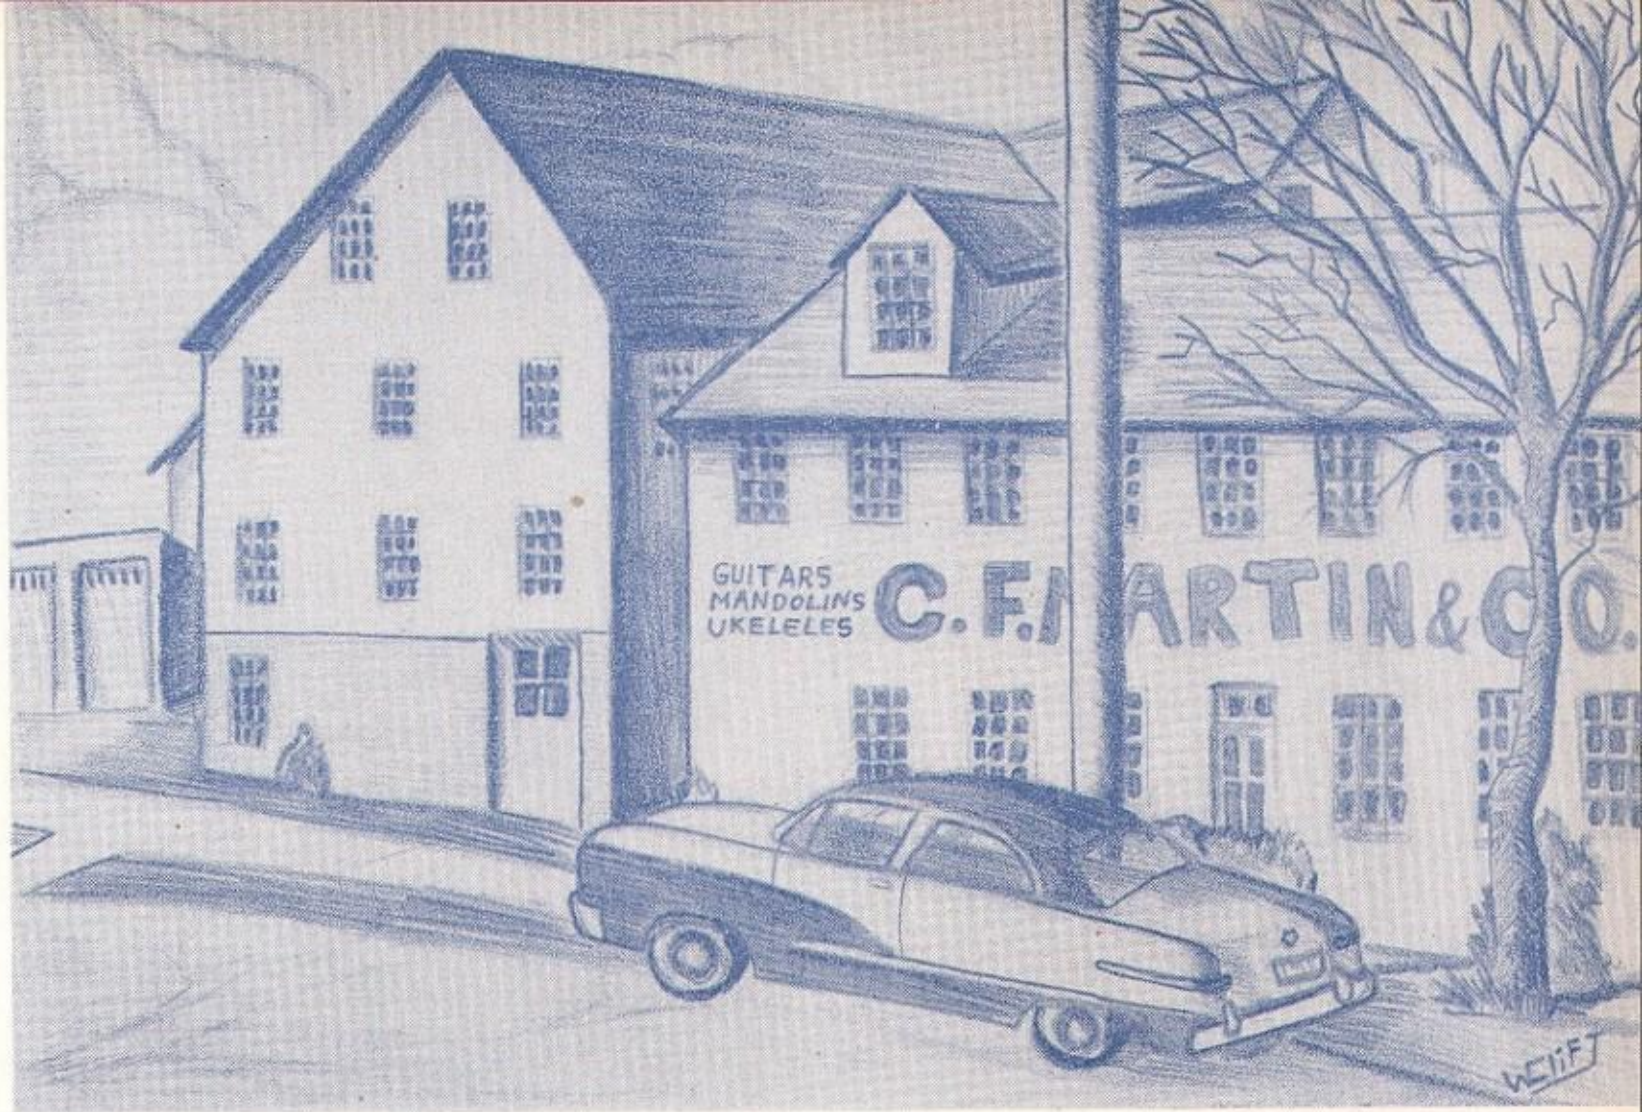

The Comet Staff has tried to present a complete picture of day-to-day happenings at Nazareth Area Senior High School.

If, in years to come, students leaf through the 1953 Comet and recall with pleasant memories activities or events recorded here, the staff will feel repaid for the months of concentrated effort used in the preparation of this memory book.

C. F. MARTIN GUITAR FACTORY

## NAZARETH BORO

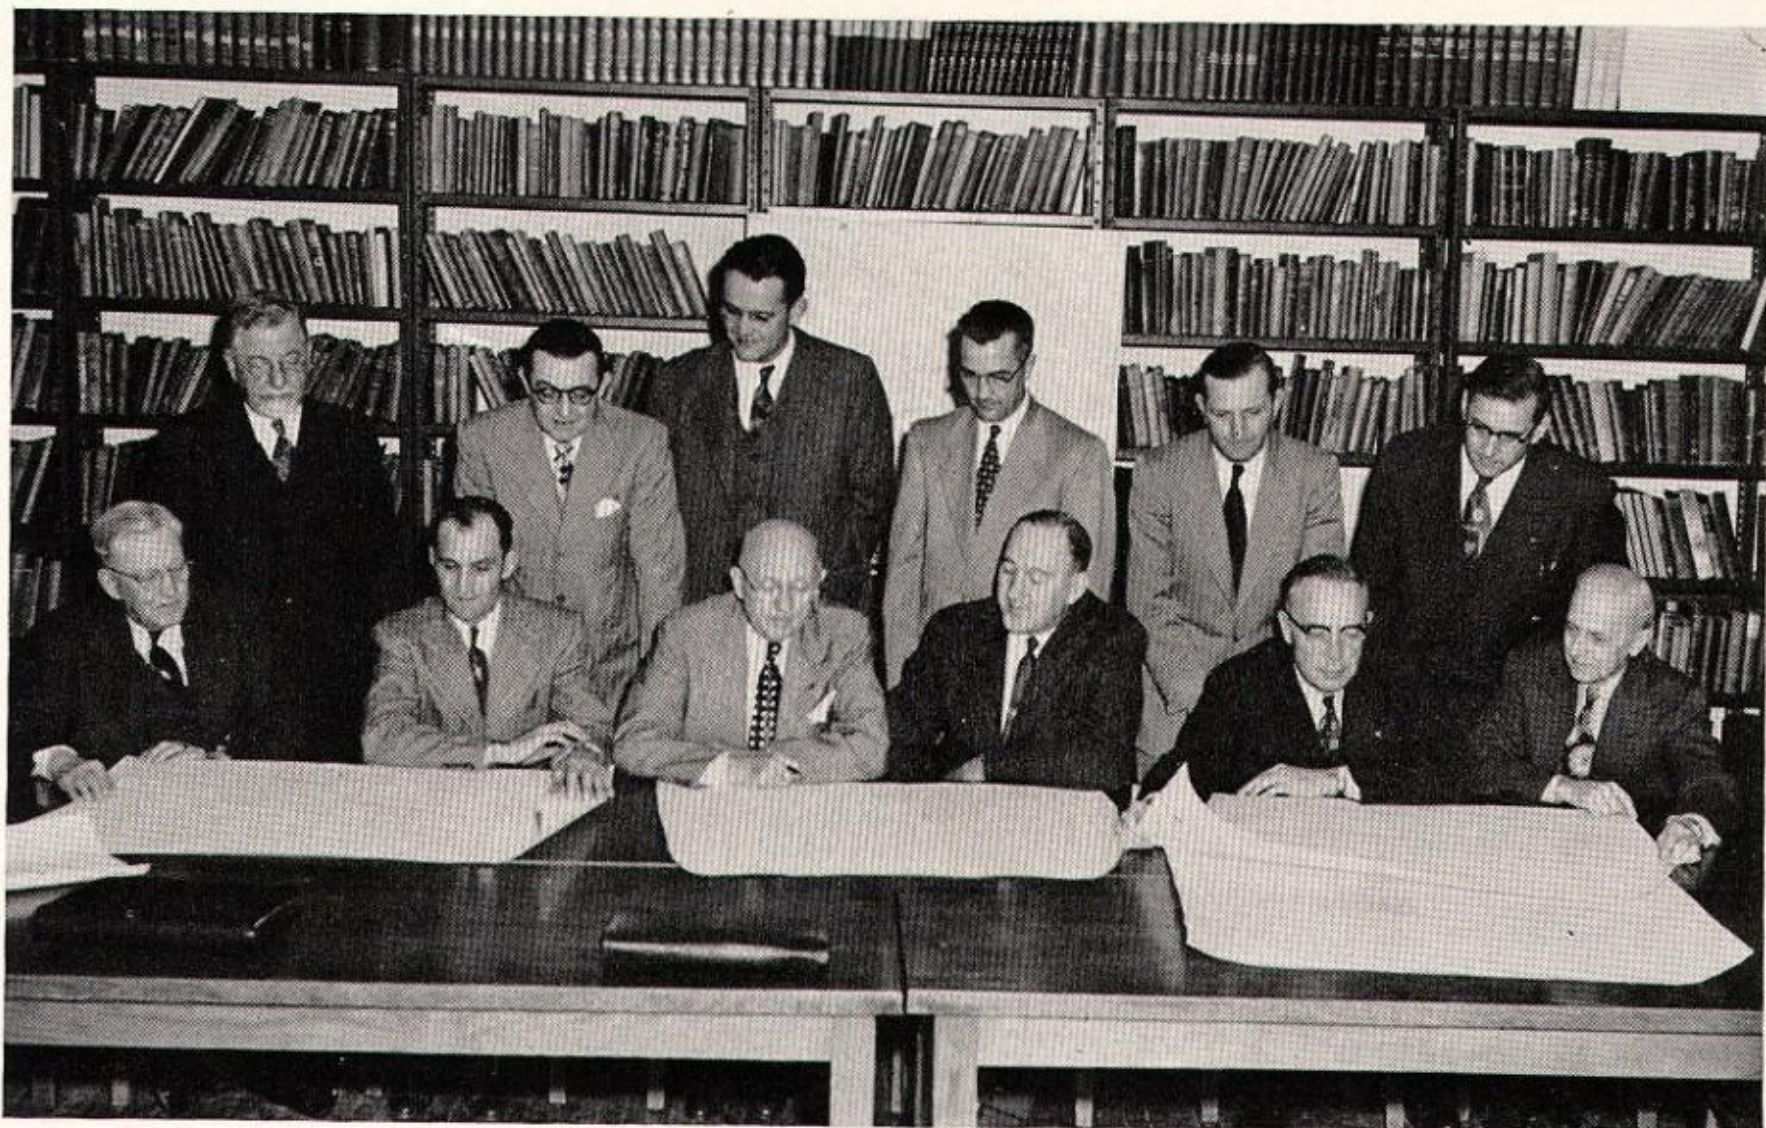

Dating back to 1740, Nazareth, the earliest settled of the Joint Area Districts, extends over an area of 1.7 square miles with a population of 5810. From this district come 184 of the 475 students attending the Area Senior High School.

Industries are varied, including milling, steel fabrication, and the manufacture of cement, paper boxes, textile products, and musical instruments.

Back in 1859 a German craftsman, C. F. Martin, began the manufacture of quality guitars. The successor to this early craftsman is the present C. F. Martin and Company, which produces monthly between 1000 and 1200 guitars and fretted, stringed musical instruments. These instruments are shipped all over the United States, to Canada, and as far as Hawaii.

*Superintendent Marcks studies a report*

When the Nazareth Area Joint High School was formed in June, 1950, by agreement between six districts, Mr. Marcks, serving as superintendent of the Nazareth Borough District, the only district of the third class in the Jointure, became the chief administrative and supervisory officer of the joint school.

In this position he serves in much the same capacity relative to the high school as he did before the formation of the Jointure. As chief executive officer of the Joint Board, he advises the board in matters relative to the teaching staff, courses of study, selection of textbooks, purchase of supplies, employment of non-professional personnel, etc.

In the building program presently under way, he serves as adviser to the board in all matters pertaining to the program. He coordinates the contributions of the professional staff, and works closely with the architect, the Department of Public Instruction of the state and other agencies, in an effort to make the new senior high school building a truly functional building for a type of educational program best suited to this community.

As principal of the Joint Area High School, Mr. Graver emphasizes that under the jointure the Nazareth Area Senior High School is the high school of all the districts and of all the students.

This spirit of cooperation is now evident in the planning for the new area senior high school.

PENN-DIXIE CEMENT CORPORATION

### UPPER NAZARETH TOWNSHIP

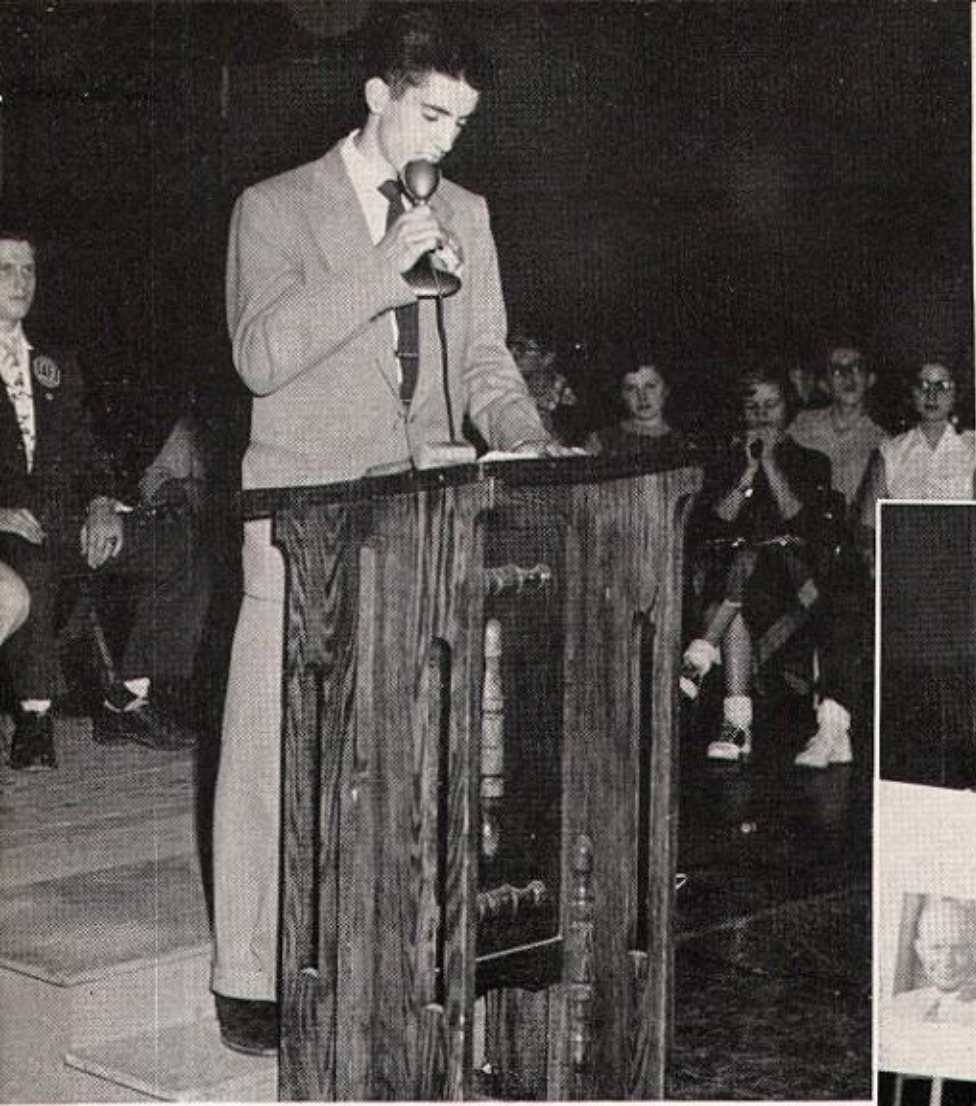

Consisting of an area of 7.3 square miles, Upper Nazareth Township, one of the Joint Area Districts, has a population of 1991 with 58 students attending the Area Senior High School.

This section, where the Penn-Dixie Cement Corporation is located, is engaged largely in the manufacture of cement. In September of 1926, with the merger of three cement plants — Dexter, Penn Allen, and Pennsylvania — the Penn-Dixie Cement Corporation came into existence. At the present time this corporation employs 591 men and produces 3,840,000 barrels of cement annually.

# ACTIVITIES CLUBS CURRICULUM

# Bands and Cheering Political

*Charles Searock represents the  
Republican candidate*

*Republican band plays for Eisenhower*

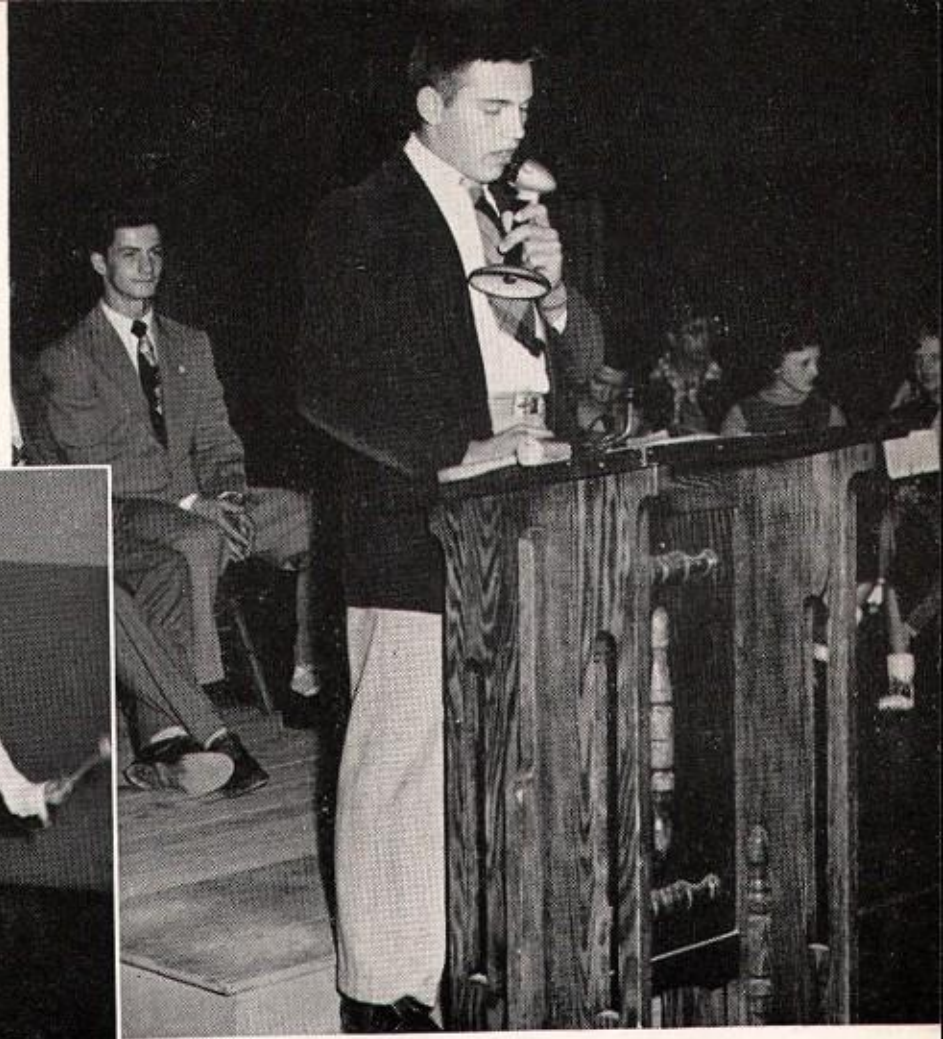

*Audience cheers and boos as speaker concludes*

# Students Enliven Rally

*Democratic band parades for Stevenson*

*Wayne Nottle speaks for Stevenson*

As part of the social studies program last fall, both the Democratic and Republican candidates and their platforms were discussed in P. D. and American history classes. By November students had become acquainted with the backgrounds of the candidates and the issues at stake.

Then as a climax to several weeks of discussion, the entire student body participated in a political rally in the gym on November 3. Both the Republican and the Democratic parties had speakers representing their nominees — Stevenson and Sparkman for the Democrats and Eisenhower and Nixon for the Republicans. Student enthusiasm for their candidates was highlighted with bands, parades, and much fanfare by the student body.

Finally on election day, November 4, a polling place was set up

and manned by a student election board with students voting for the candidates of their choice. Nazareth Area High School, true to town tradition, went Democratic with the final tally of 233 votes for Stevenson and 205 for Eisenhower.

*Students cast ballots*

# Gaining Knowledge

1. Second year German students study passive voice.

2. In English class, senior students revise compositions.

3. Art students work on portrait sketches.

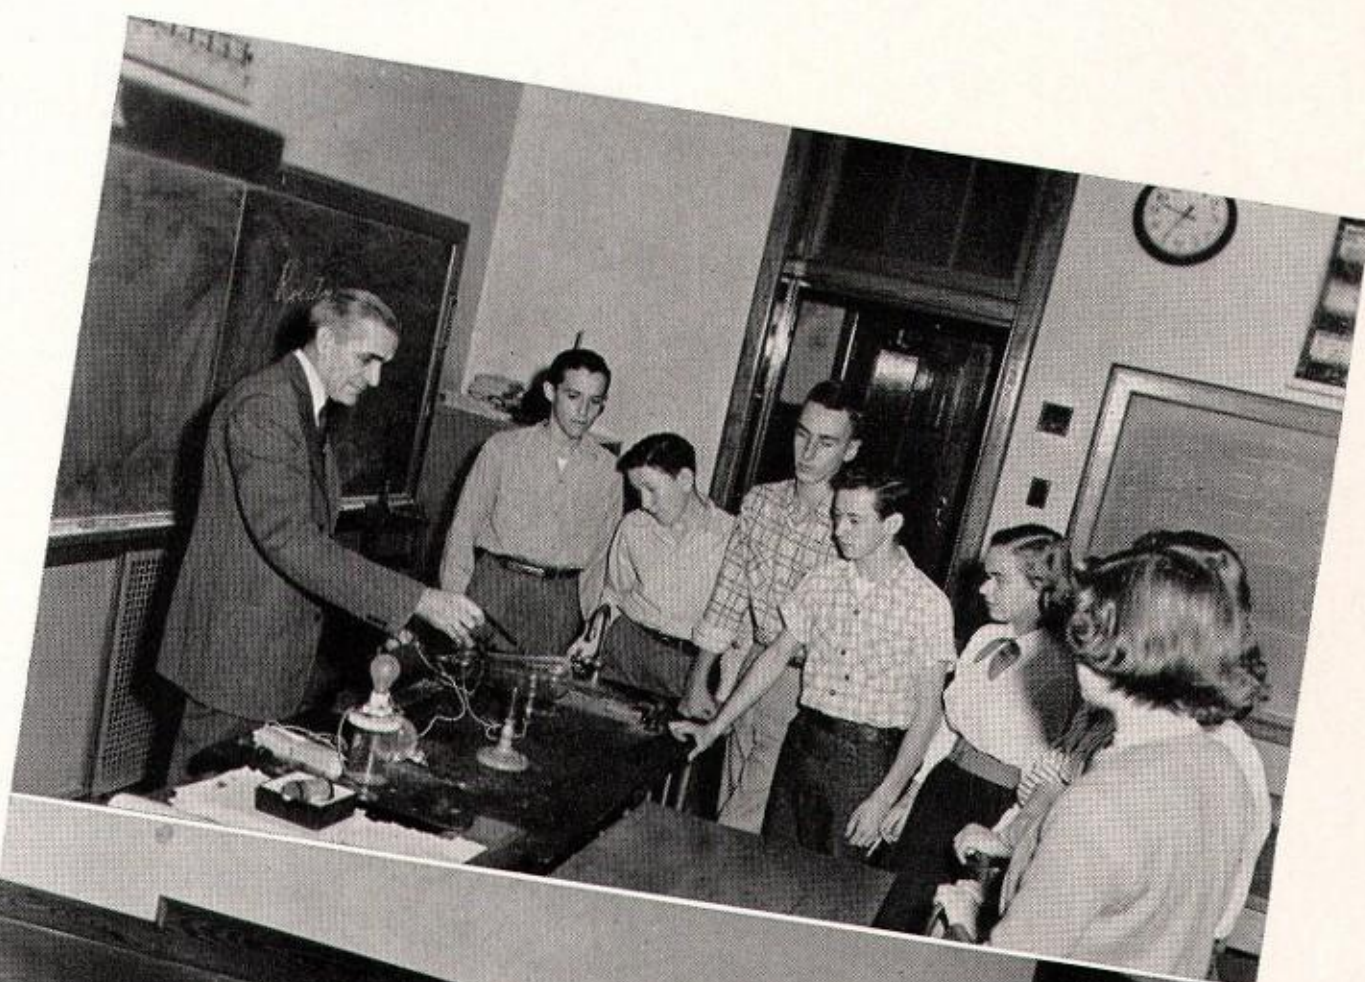

# and Developing Skills

4. Chemistry students observe the path of cathode rays through a vacuum tube.

5. Mrs. Metz explains a Profit and Loss Statement to a Bookkeeping class.

6. In Office Practice the girls learn the use of duplicating machines and the electric typewriter.

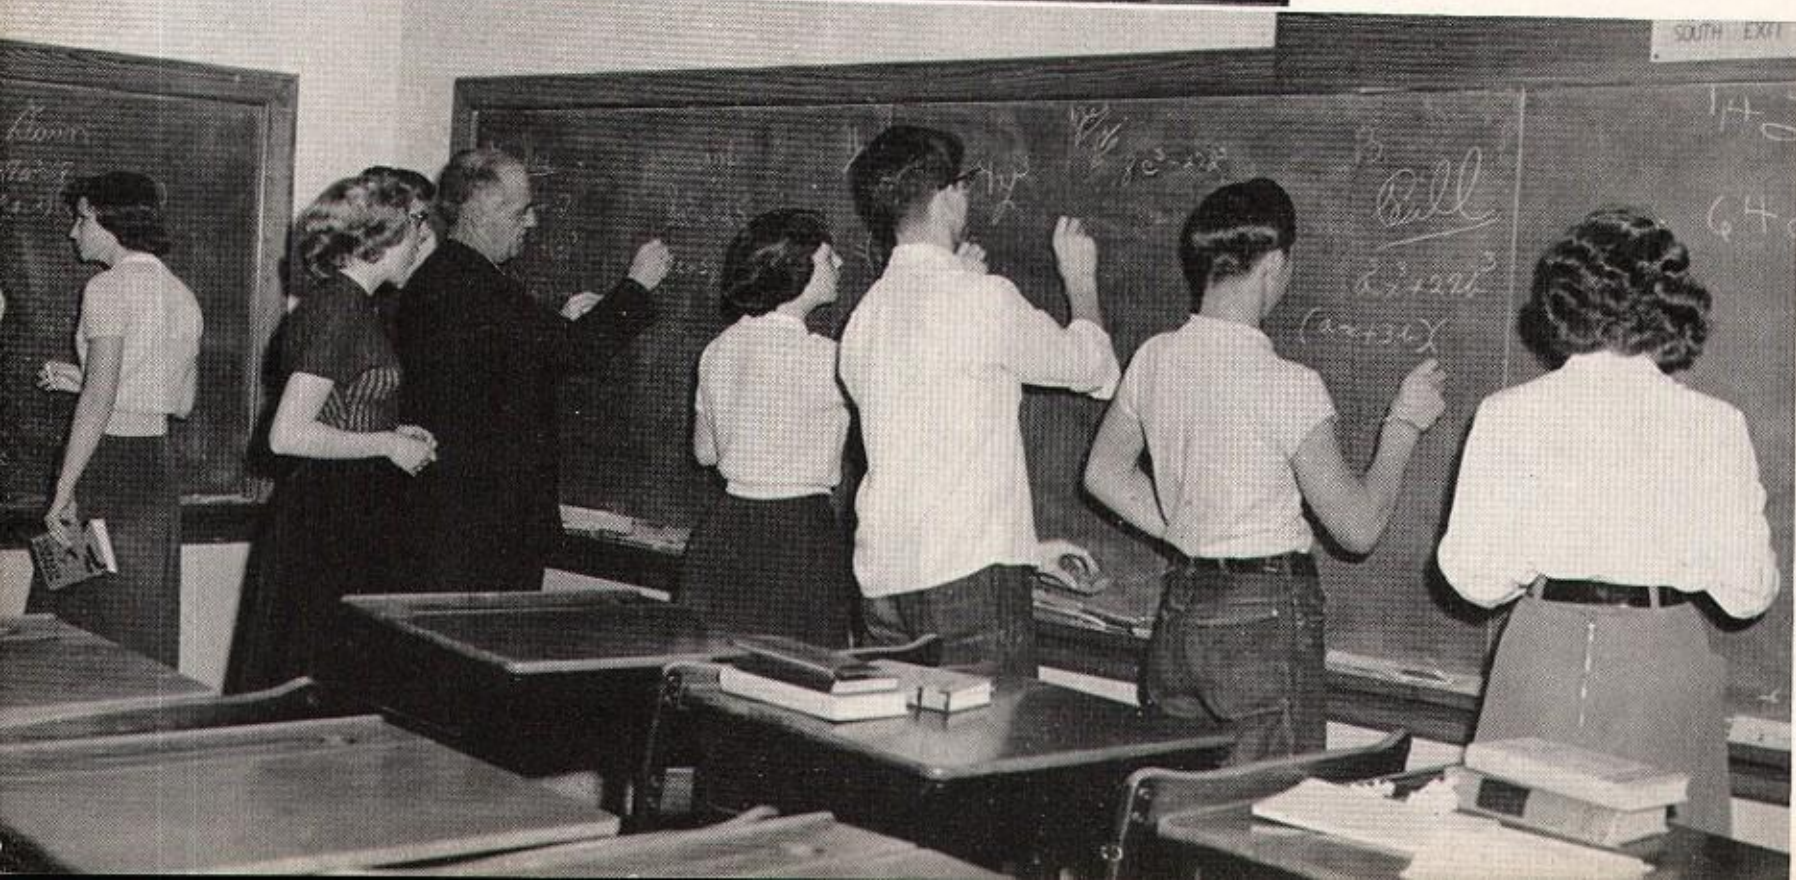

# In the Languages, Science, Business Education

1. As a phase of Driver Education, students study an automobile motor.

2. Junior physics students study the principles of an electric motor.

3. In algebra class students factor sums and differences of cubes.

# Social Studies, Homemaking, and Arts

4. *In order to study locations, American history students use a map.*

5. *Shorthand I students take dictation.*

6. *Putting their knowledge to practical use, students bake cookies.*

*Dr. John Fraunfelder examines wrestlers*

*Mrs. Josephine Tintera, school nurse, gives Barbara Weaver and Elaine Baltz audiometer tests*

*In the eleventh grade physical checkup, Dr. Raymond Benjamin checks the blood pressure of Hazel Barnhart while Doris Graver and Elaine Fehnel wait their turn.*

## Thorough Medical Examinations Given Students

As a part of the school health program, each student is given a thorough medical and dental examination every other year. This health examination lays the foundation for remedial health work throughout the school year. An additional health service to the student is a periodic chest X-ray.

Prior to each season of participation, candidates for sports — football, basketball, wrestling, baseball, and track — are given a special examination by the school medical inspector.

# Games and Dancing Featured in Noon Activity Program

*At noon students enjoy reading in our well-equipped library*

*Boys sharpen up for coming ping-pong tournament*

*Dancers jitterbug to the music of the Stardreamers*

At the beginning of the second year of noon-activities the student cry was "More games! More games!" And so each Monday, Tuesday, and Thursday noon the game-minded students enjoy ping-pong, checkers, quoits, and cards in the bandroom and basketball in the gym. For those not wishing to participate in games, the library is open for reading.

For students interested in dancing, our own Lehigh Valley Playboys provide the music for square dancing on Wednesday; our Stardreamers, for modern dancing on Friday.

The noon-activities are shared by both out-of-town and town students and are in charge of Mr. Hughes.

*A rebound is taken after a basketball shot is missed*

## Student Council Plans Social Activities and Helps With Noon Program

Selected by the student body to represent them in planning and supervising school activities, the Student Council, composed of twenty-eight members, meets each Monday during the eighth period.

The Council held dances — both modern and square — at Hallowe'en, Thanksgiving, Christmas, Valentine's Day, and a Spring Hop during the past year; managed the noon-activities program; chose various assemblies; and supervised the refreshment stand during the football season.

Each month the Council selects the "Boy of the Month" to represent the school as a guest at a Lions Club dinner meeting.

Mr. Hughes and Mr. Felver are the Council advisers.

1. Student Council Officers: Mr. Hughes, adviser; Jones, Asst. Sec.-Treas.; Roberts, Vice President; Rader, President; Gold, Secretary; Woodring, Treas.

2. Council members decorate for the Christmas Dance.

3. Students enjoy the holiday dance.

4. The dancers enjoy refreshments.

5. Mr. Lee, a representative of Lafayette College, speaks to students.

6. Mrs. McGonigle, senior guidance counselor, discusses colleges with Barbara Mengel.

7. Mrs. Sell, representative of the Bell Telephone Company, speaks to the senior girls interested in becoming telephone operators.

8. Miss Anna Kraemer of Penn-Dixie explains the various parts of the invoice to students.

9. Bond, Regi, Woodring, Nikles, Yandrisevits, and Mr. Lefferts take time out for lunch before touring the Penn-Dixie Cement Company Offices.

## Guidance Program Includes Conferences, Tests, and Office Visitation

At the present time each of the senior high school classes has its own guidance counselor: the seniors, Mrs. McGonigle; the juniors, Mr. Hughes; and the sophomores, Mr. Felver.

Throughout the year students who have problems or difficulties may interview the guidance counselors for help. Frequently these interviews enable students to improve their weak and develop their strong points.

As a special service to the students, the Nazareth Rotary Club is instrumental in securing speakers for vocational conferences in the areas of student choice. Scheduled during school time, these conferences cover the nature, preparation, and advantages of various vocations.

Besides these career conferences, students are given an opportunity to take Vocational Aptitude Tests administered by a vocational counselor from the State Employment office at Easton, Pa.

Through the cooperation of four local business sponsors — Penn Dixie and Lone Star Cement Companies and Nazareth National Bank and Trust Company and the Second National Bank — each of the fifty-seven senior commercial students has had an opportunity to observe the operation of business in an office. Before proceeding with the office visitation program, each business group took the students to lunch.

## Dramatic Clubs Exchange Programs and Attend Plays

### DRAMATIC CLUB

This year there are two Dramatic Clubs with an approximate membership of forty. Mrs. Zell's club meets each Tuesday, Wednesday, and Thursday, while Miss Bryan's club meets only on Wednesday of each week.

Several of the seven plays produced this year were used as exchange programs with Pen Argyl, Bangor, and Wilson High Schools.

Besides producing plays the Club members have had the opportunity of attending the Drawing Room Theater in Bethlehem and dress rehearsals of Lafayette College plays in Easton.

*In the play, CUSTER'S LAST SIT, father is mistaken for a burglar*

*Father advises his family about keeping late hours in DATE FOR BOBBY SOX*

*Father lays down the law about getting in late in BE HOME BY MIDNIGHT*

*In CUSTER'S LAST SIT, Custer mysteriously contracts small pox*

# Stagecraft Club Prepares Sets for Plays

## STAGECRAFT CLUB

Meeting every Thursday, the twenty-four member Stagecraft Club plans stage settings during activity period. In order to have the stage prepared for the numerous productions, students relinquish many of their study halls, and, when necessary, remain after school to work. Since the auditorium is used by both junior and senior high schools, a quick change of scenery is frequently necessary.

This year the Stagecraft Club arranged the stage for seven Dramatic Club plays. Several members accompanied the Dramatic Club on their exchange programs to operate the lighting, curtains, and sound effects at Pen Argyl, Bangor, and Wilson High Schools.

Miss Jean Clute is the club adviser.

*The Stagecraft Club sorts properties under the stage*

*The Stagecraft Club prepares the stage for a play*

*Joe has his pick of secretaries in TAKE A LETTER*

## Clubs Encourage Worth-while Hobbies

### CRAFT CLUB

Since many girls enjoy making jewelry and small personal items, the membership of the Craft Club has to be limited.

Before the holidays the twenty-seven members made small decorative Christmas trees from green cellophane paper. For their other projects they crocheted scatter rugs, braided belts and key chains of plastic craft-strip, wove baskets of reed and raffia, and made shell-craft pins and earrings.

Mrs. McGonigle, assisted by Mrs. Bonner, supervises this group each Tuesday and Thursday.

### PHOTOGRAPHY CLUB

Under the supervision of Mr. James Roth, the elementary and advanced photography clubs, composed of twenty-nine members, learned to print and develop pictures. After the students have learned these fundamentals, they work on special projects.

1. Craft Club members braid belts and key chains of plastic craft-strip
2. Girls enjoy fashioning costume jewelry from shells and beads
3. Craft Club girls crochet scatter rugs

*In Photography Club Inhoff and Metzgar mix chemicals*

*Photography group cooperate in producing a motion picture*

# Chess Club Wins League Championship

By defeating every opponent, the Nazareth Area High School Chess team won the championship in the Penn-Jersey Interscholastic Chess League in 1951-52.

During the Tuesday and Thursday activity periods the club members work for maneuvering skill, while the thirteen-member team strives each Wednesday to win the school championship.

This year's team won seven out of eight tournament games, and again has won the League championship for the second consecutive year. Since the Penn-Jersey Interscholastic Chess League was started in 1951-52, the Nazareth Chess team has held the championship title.

Mr. Harding is the club adviser.

*In a second-half championship game with Phillipsburg, Nazareth wins 5-2*

*While coaches and team members look on, Captain Arthur Reph wins over Phillipsburg's man*

# Club Activities and Vary

## LIBRARY CLUB

Consisting of fifteen members, the library club helps the librarian, Mrs. Charlotte Bonner, to keep our library in tiptop condition. Meeting the eighth period each Tuesday, club members repair books, letter new ones, file book records in the card catalogue, learn to do desk work, and at the end of the year help to take an inventory of all books in the library.

## DANCING CLUB

During eighth period on Wednesdays the seventy-five members of the dancing club learn new steps and endeavor to improve their dancing under the direction of Mrs. Phyllis Bush, an outside instructor.

## KNITTING CLUB

Under the supervision of Mrs. Metz and Mrs. Bleiler, the nineteen-member Knitting Club meets each Tuesday and Thursday during activity periods to learn to knit, to purl, and to pick up dropped stitches.

Through the year the club members make articles — socks, sweaters, mittens, scarves, slipper socks, and baby blankets. Their articles are displayed at the annual Art Exhibition in May.

# Provide Pleasure School Routine

## FIRST AID CLUB

During the eighth period every Wednesday the thirteen members of the First Aid Club are given instruction in the standard Red Cross First Aid Course. In addition to learning how to prevent accidents, they learn proper bandaging, how to perform artificial respiration, and the approved first aid treatment for severe bleeding, fractures, and common emergencies. After completing the course, they take a test for their First Aid Certificates.

*In First Aid the club members observe Ella Ann Messinger apply artificial respiration to Joanne Roberts*

## AGRICULTURE CLUB

The fifteen-member Agriculture Club meets each Tuesday. Taking charge of meetings, individual members discuss various topics: growing potatoes and apples, grading eggs, testing soil, and studying insect pests.

*Roy Fabian and Larry Shoemaker grade eggs in Agriculture Club*

## AERONAUTICS CLUB

The twenty-one members of Aeronautics Club meet every Tuesday during activity period to study flying in general and the structure and mechanics of airplanes. In connection with learning more about the occupational possibilities of this field, the Club made a trip to the Allentown-Bethlehem-Easton Airport to get acquainted with the opportunities and qualifications of various types of work in aeronautics.

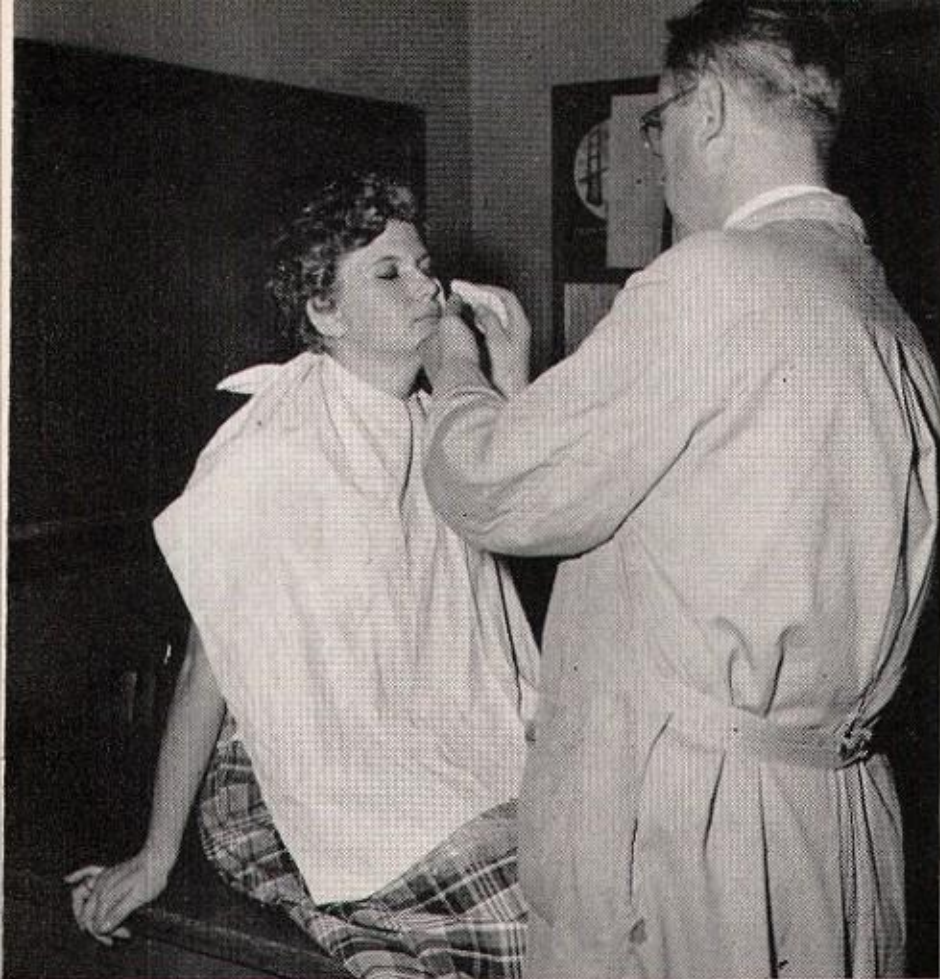

Flying model airplanes and displaying them during Club period helped students learn more about types of planes.

The members also investigated the courses offered by different aeronautic schools.

*Aeronautic Club members use flight maps to study navigation*

*Mr. Kostenbader applies make-up to Shirley Turner*

Early in September when Mr. Kostenbader announced tryouts for the senior play, *Jenny Kissed Me*, approximately twenty-five seniors responded to the call. As soon as the cast was chosen, rehearsals began.

While the cast was busy rehearsing, the business staff snapped into action promoting the sale of tickets and the other committees began work on stage properties and getting costumes.

Since the net proceeds of this project helps finance the senior trip to New York City in June, every senior helped by selling tickets, ushering, or serving on one of the various committees.

## On Stage and Off, Students and Faculty Prepare for the Senior Play

*Stagecraft crew set  
up a flat*

In order to carry out its many assignments the Stagecraft Club is divided into committees to handle lighting, construction and painting of new sets, putting up flats, and arranging properties. As this club prepares sets for the senior play, band concert, music festival, and the fashion show, it is kept busy throughout the year. Besides these special events the club also arranges the scenery for the plays presented by the Dramatic Club.

*Students fit a door into the flat*

1. Sister Mary and Miss Stearns present their problems.
2. Father Moynihan is shocked by sixteen-year-old chits smoking and using make-up.
3. Bag and baggage, Jenny arrives at the rectory.
4. Mr. Parkside meets Father Moynihan.

## Seniors Present JENNIE KISSED ME

JENNY KISSED ME, this year's senior play, opened in Father Moynihan's rectory with his housekeeper demanding that her orphaned niece come to live with them at the rectory. Finally, much against Father's wishes, Jenny arrives.

After plain Jenny has lived at the rectory only two months, Father Moynihan decides her appearance needs to be improved. In order to make her more attractive, Owen Parkside, son of a prominent business man, offers a few helpful suggestions.

Soon Owen and Jenny are dating regularly and many problems arise involving everyone at the rectory. During this time Michael Saunders, a thirty-four year old bachelor, has secretly fallen in love with Jenny. Now that Owen started courting Jenny, Michael's jealousy is aroused. As Michael finally realized he loves Jenny, he goes for a marriage license despite Father Moynihan's objections.

## Staff Cooperation Blue and White

*Miss Paul gives instructions to her Blue and White Staff. Seated: Fox, Buss, Scott, Beitel, Stimmel, Clewell, Gruver, Werner, James, Elkins, and Weiss. Standing: Miss Margaret Paul*

Teeming with activity during eighth periods, the Blue and White staff, the largest ever, prepares the eight issues of the school paper.

While each issue is in preparation, reporters dash about the building to gather news items. The editorial staff writes, and then the editors revise the material, while the typists prepare it for the printer.

After the galley sheets are returned from the printer, the staff proofs, cuts, and pastes articles on a dummy to be sent back to the printer. From this point on the presses roll off the completed issues.

*Under the direction of J. Frederic Knecht and Quentin Zell the following students are proofreading articles: Graver, Fischl, Gilio, Geider, Magditch, Frey, Recker, Nordoi, Dashner, Barnhart, Sandt, Abel, Male, C. Kostenbader, Hertzog, Heidenwolf, Matthias, Elkins, Kraemer, Gruver, Eckert, Mitman, Diehl, Lauffer, Leh, Potts, and Hartzell.*

# Produces Standard

*Under the supervision of Mrs. Graver, the following typists prepare copy: Hahn, Stranzel, Traupman, Nagle, and Yandrisevits*

The business staff handles the distribution of the Blue and White to students and prepares the mailing list to outsiders who enjoy reading the school paper.

In the issues this year more pictures have added interest to the articles.

Again this year the Blue and White placed third in both the Columbia Scholastic and the Pennsylvania School Press Association Contests.

Mr. J. Frederic Knecht and Mr. Quentin Zell are faculty advisers of the publication.

*Helping Mrs. Shekletski prepare the mailing list for the Blue and White are Davis, Keck, Falcone, Stewart, and King*

*Mr. Knecht and Mr. Zell make suggestions as the following students paste the dummy: Young, Uttley, Siegel, V. Peters, Ferraro, Mengel, J. Peters, Barnhart, Sandt, Abel, Johnson, Bush, Werkheiser, Fehr, Elkins, Gotto, Eckert, Hoff, Reinbold, Diehl, Burley, Julius, and Campanaro*

"Where's the dummy?" inquires one of the editors. Then a member of the layout staff asks, "Is this going to be a double spread?" "I'd like to know what happened to that football writeup I was working on?" chimes in a sports writer. All these questions indicate another Comet Staff activity period.

As a theme for the 1953 annual, the staff chose the six district area—Bushkill Township, Lower Nazareth Township, Nazareth Borough, Stockertown Borough, Tatamy Borough, and Upper Nazareth Township—comprising the Nazareth Area High School. Choosing representative industries from each district, the artists went to work sketching various ideas for the divider pages and end sheets.

Meanwhile the layout group planned what pictures were to be taken to depict the overall picture of the year's happenings at Nazareth Area Senior High School. Then they set up the schedule for the photographer. As soon as the pictures were taken, they began work on layouts.

TYPISTS

Soliciting ads from the local business people and supervising the selling campaign for the book kept the business staff busy from September until March.

The editorial staff began writing the personalities, copy, and headlines in order to meet the various printer and engraver deadlines.

In this all-year activity the entire staff has learned to work together to present an over-all picture of the life at Nazareth Area High School. Besides this the business staff has had the opportunity of meeting business people and learning to handle money; the art staff, to work out and develop ideas; the layout staff, to plan and use pictures to the best advantage; the editorial staff, to write effective copy and headlines; and the typists, to prepare material for the printer.

The yearbook advisers include Mrs. Margaret Shekletski, Business; Miss Jean Clute, Art; Miss Elizabeth Sloat, Layout, Editorial, and Typing.

#### REEDS

Presented in the high school auditorium on April 30 and May 1, the annual Spring Concert of the Area High School Band was enjoyed by large audiences. This year's program consisted of a variety of selections including three solos: *Rusticatin' Rufus* on the marimba by Roma Mary Gruver, a junior; *The Debutante* on the trumpet by Dallas Yeakel, a sophomore; *Musical Typist* on the accordion by Robert Keller, a senior.

The tonal timbre of this year's band was improved through the acquisition of two new instruments, an oboe and a bass clarinet. These instruments added depth to this year's concert numbers, especially *Lady of Spain*, *Park Avenue Fantasy*, and *Blossom Time Overture*.

# Band Marches to Dance Steps

The development of American dances — the Waltz, Two-Step, Charleston, Polka, Jitterbug, and Tango — was the theme of this year's marching band.

The maneuvers and intricate steps in these dances were original interpretations developed by Mr. Weinhofer, director, for the Nazareth Area High School Band.

Followed by fifteen high-stepping majorettes and five snappy color bearers, the flashy drum major, LaMar Bush, led the fifty-four precise-marching instrumentalists.

The majorettes not only performed with the marching band but also added zest to the Spring Concert by giving a zippy interpretation of the Mexican Hat Dance.

Delores Houser, a sophomore, represented the Area High School at the Eastern All-State Band Concert in Sayre, Pennsylvania, on February 5, 6, and 7.

## Area Music Activities Varied

Participating in the Eastern District Band Festival at Central Catholic High School, Allentown, on March 11, 12, and 13 were Patricia Roth, Connie Toth, Doris Graver, Dallas Yeakel, Delores Houser, and Corinne Gold.

In the Eastern District Chorus Festival, held at Minersville on March 26, 27, and 28, Robert Herd, tenor, and James Seyfried, bass, represented Nazareth Area High School.

Among the active musical groups of the Area High School were the *Melodiers*, a group of eight boys — William Gano, Robert Herd, Donald Himler, Carl Metzgar, Walter Minnich, James Seyfried, Conrad Tripp, and Richard Werkheiser — who sang at senior high assemblies, a Woman's Club meeting, the Wilson Exchange Program, and churches during the school year.

Assisted by the Mixed Chorus, the Girls' and Boys' Glee Clubs, directed by Mrs. Mary Hand, presented the Music Festival to a large and appreciative audience in the high school auditorium on March 13.

Soloists were Sandra Zellner, soprano; Robert Herd, tenor; James Seyfried, bass; Marilyn Elkins, pianist; and Dallas Yeakel, cornetist.

As special features, several novelty numbers — *Chiapanecas*, a Mexican clap dance, *Johnny Schmoker*, a Pennsylvania Dutch Folk song, and *Skip to My Lou* were presented.

# Parents and Friends Enjoy Student Art Exhibit

On the evening of May 29, 1952, the high school building was crowded with appreciative parents and friends who attended the annual Art Exhibition — fine arts, industrial art, and sewing — from 7:00 until 10:00 o'clock.

In the senior high school exhibition all phases of the fine-arts were included — painting portraits, landscapes, and posters in oils, pastels, water colors, pen and ink, and poster paints. In the crafts, students were interested primarily in making ceramics — pottery, lamp bases — and metal tooling.

Besides this, students demonstrated their work in illustrations, modeling clay, painting portraits in oils, drawing from still life, and working with metals.

An unusual feature of the exhibit was a display of work done by Don Peterson, a graduate of Nazareth High School and now a student at Syracuse University. Many of his cartoons and posters on display had been used as cover designs and illustrations for his college magazine, *The Syracusian*.

With an area of 37.9 square miles, Bushkill and Lower Nazareth Townships are more than three times the size of all the other Districts of the Jointure combined. These two townships have a total population of 3389 and an enrollment of 119 students in the Area Senior High School.

In this area, devoted largely to farming, is located the Keystone Dehydrating Plant which produces, besides pharmaceuticals, eight thousand tons of alfalfa meal and one thousand tons of corn annually.

The National Cement Company is another industry located in Lower Nazareth.

# Three Losses Net Place in League

*Nikles turns a Nesquehoning halfback toward the inside*

With two undefeated seasons behind them, the Nazareth Blue Eagles were marching to what seemed to be a third undefeated season. Then after twenty-five successive games without defeat, they were upset by an aggressive Emmaus squad, which was the last team to top Nazareth before their undefeated streak began back in 1949.

## NESQUEHONING

The Blue Eagles, hoping to start the '52 season successfully, faced a stubborn Nesquehoning eleven. Senneca scored on a long run while Meixsell scored on a brilliant defensive play by blocking a punt, picking up the ball, and running into the end zone for a touchdown. Mengel converted both placements and netted Nazareth a close 14-13 victory.

## WHITEHALL

Although the first quarter wasn't too convincing, the second game was proof that the team wanted to carry the ball through another unblemished season. Herd turned the battle tide in the second quarter with an intercepted lateral and a quick touchdown. A persistent Nazareth squad scored two more touchdowns in the second half for a 19-0 victory.

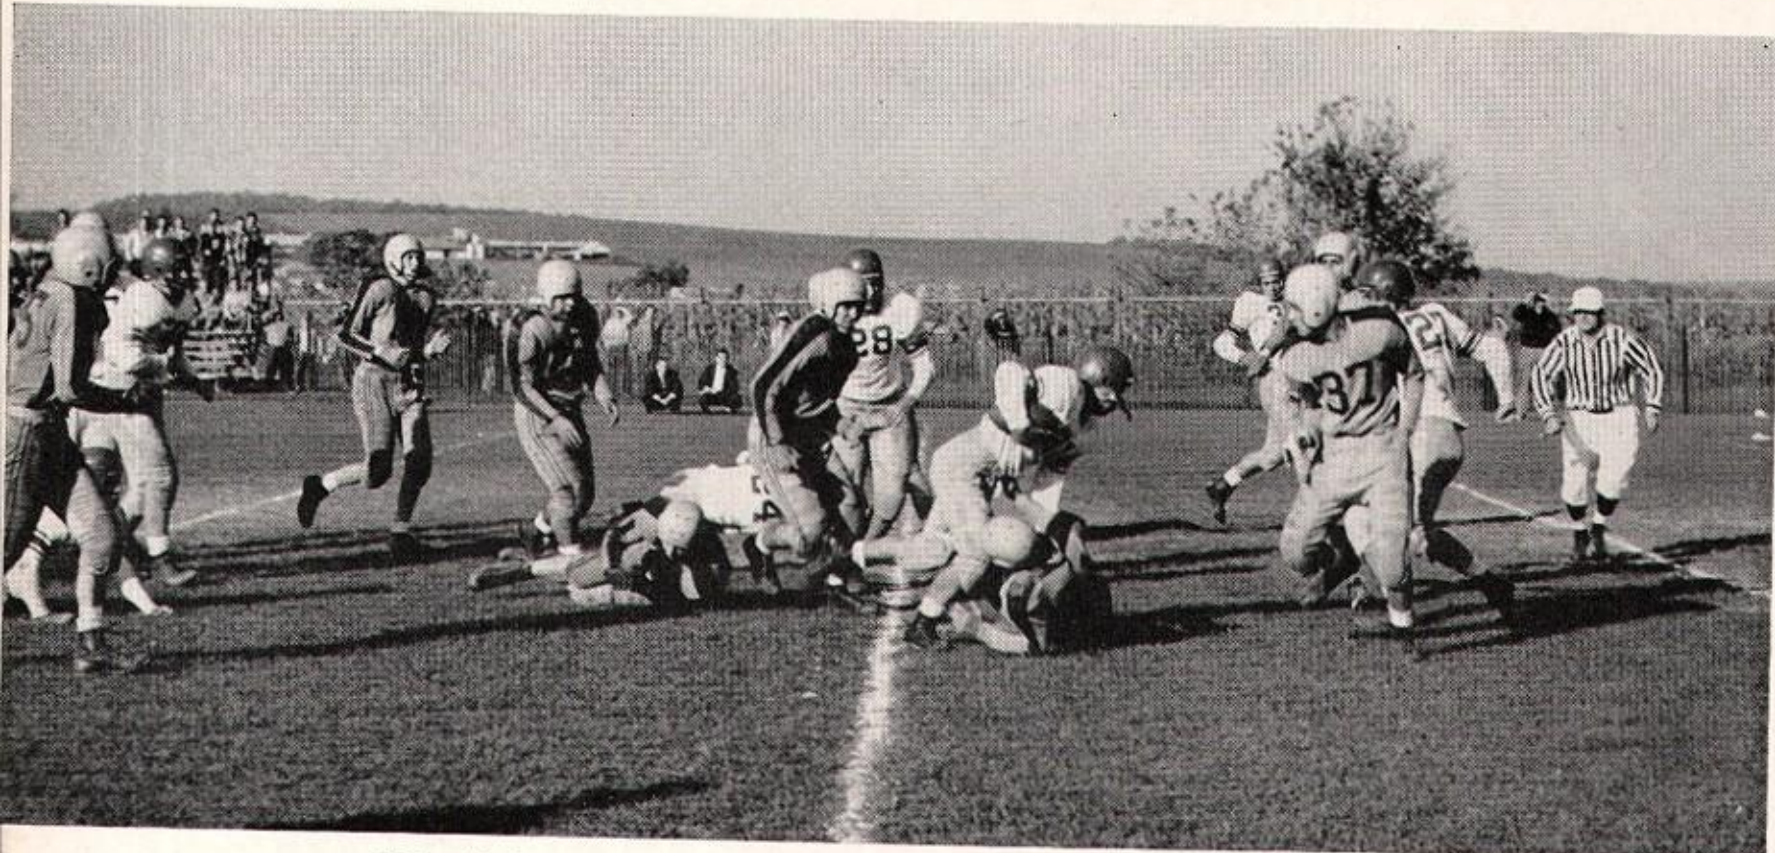

## COPLAY

The first league game gave Coach Leh a chance to see what his reserves looked like, for the second quarter ended with Nazareth holding a commanding lead. Rissmiller, Senneca, and Metz shared scoring honors as Nazareth chalked up their 23rd consecutive undefeated game with a 52-0 score.

### PEN ARGYL

The Pen Argyl game took the Blue Eagles on their first road trip. They fumbled twice in the first quarter, but they bounced back with Rissmiller scoring four times and Mengel converted twice for an impressive 26-7 Nazareth victory.

### BANGOR

Nazareth, at home, met an old rival, Bangor, who tied Nazareth by a 13-13 score in '51. The Eagles were up for the Slate Belt boys. In the second period Ferraro passed to Mengel for seven yards for the only score, as Nazareth went their

merry way with a 7-0 win. This was the 25th straight victory.

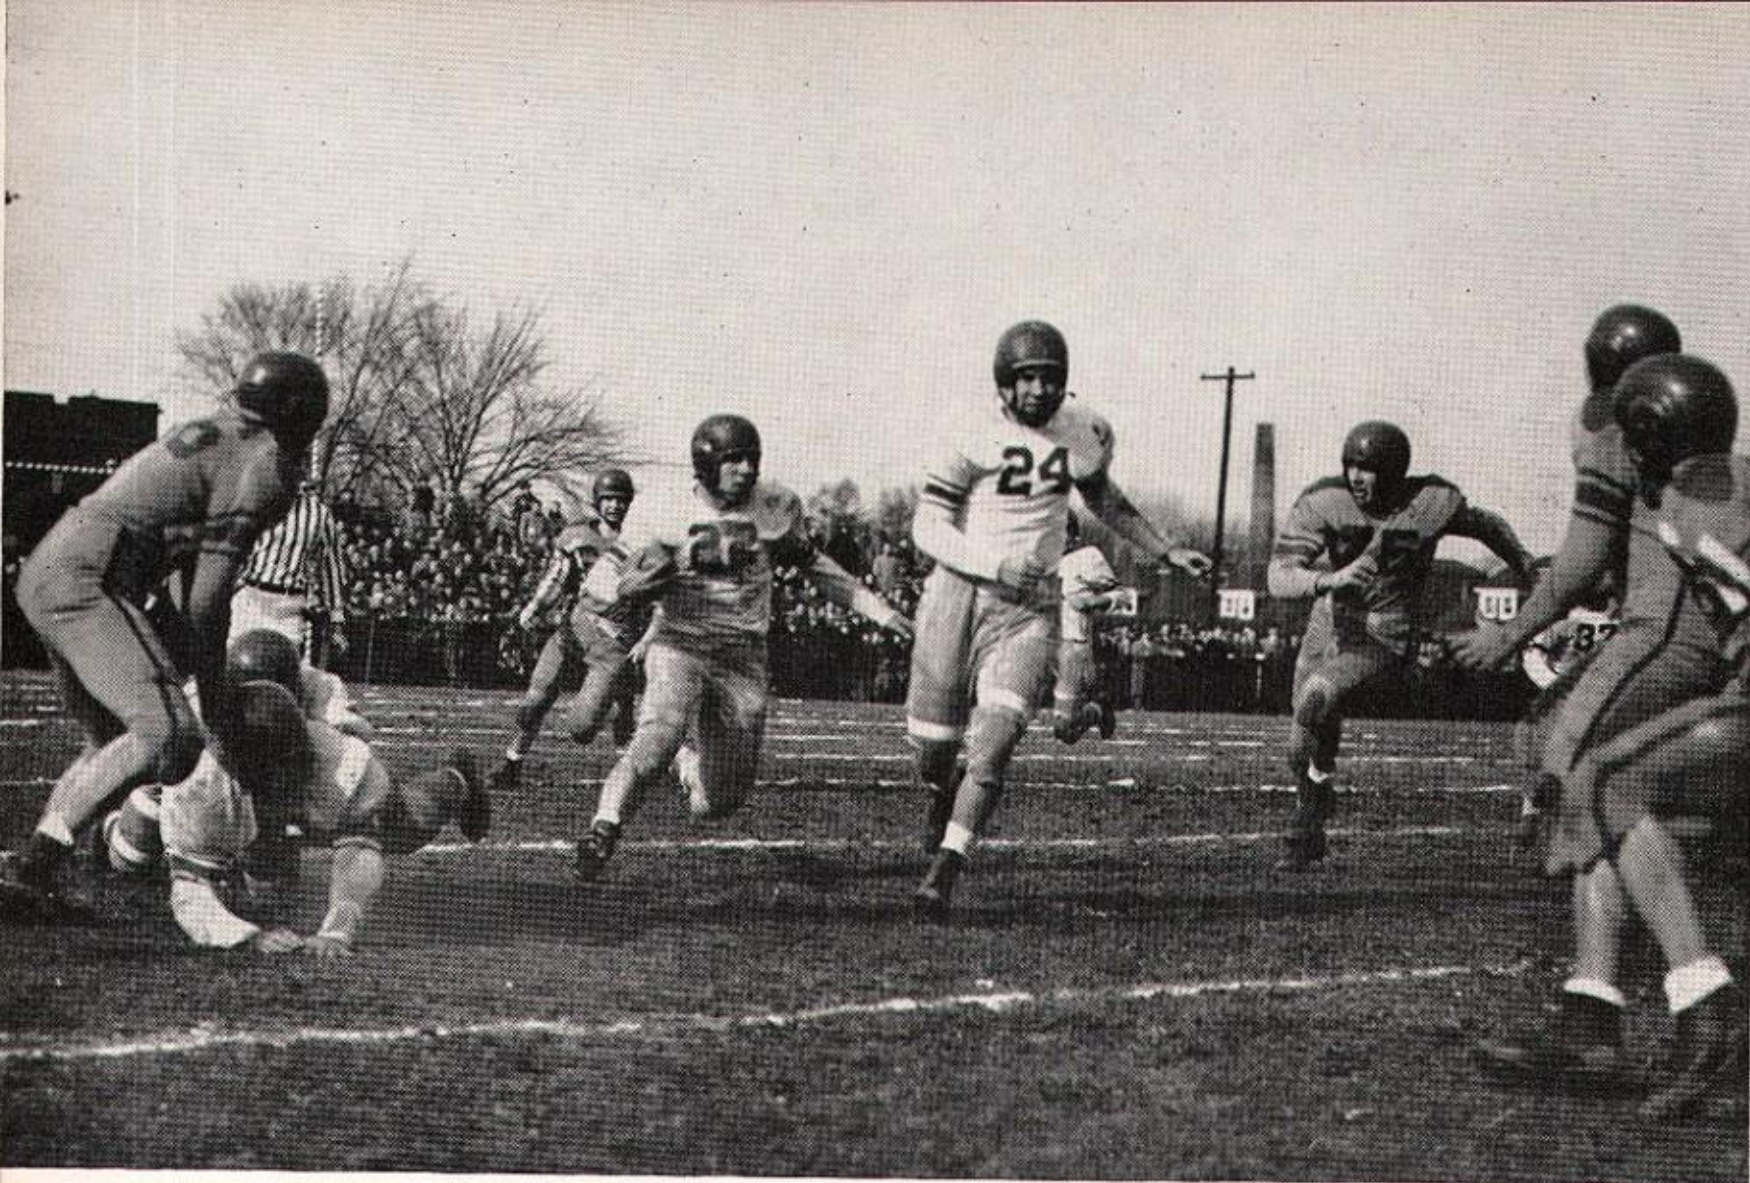

### EMMAUS

All good things must come to an end, and that's exactly what happened when Nazareth traveled to Emmaus. Emmaus drew blood when Houseknecht passed for a TD, but failed to convert the extra point. Nazareth quickly scored with Rissmiller bulling his way over. Mengel converted and put the Blue Eagles out in front 7-6. This score remained until the fourth quarter when Houseknecht, with five minutes left, kicked a field goal from a difficult angle to win for Emmaus 9-7.

*Rissmiller brought down by two Warriors*

*Led by Herd, Rissmiller returns kickoff against Wilson*

## EAST STROUDSBURG

Nazareth, trying to rebound against a powerful East Stroudsburg team, led 14-7 until the fourth quarter, only to be downed by three East Stroudsburg touchdowns to lose the game 27-14. Ferraro, with accurate passing and Rissmiller with all-round play, kept Nazareth ahead in the first half.

## WILSON

After resting ten days, the Leh lads went to Easton with high spirits. A victory over Wilson would make the season successful. Nazareth received the kick-off and after three attempts decided to punt on fourth down. Wagner took the punt and ran back 70 yards for a touchdown. Wilson scored again in the

first half to lead 13-0. Nazareth came back with renewed spirit and promptly marched for a touchdown, climaxed by Senneca's 70 yard sprint. Mengel missed the extra point, resulting in a 13-6 score. Leshner's power scored twice to win 27-6.

The Blue Eagles, playing only 8 games, had 5 victories and 3 losses. The first 5 games were won, extending the 20 game streak to 25 consecutive games without defeat. This is a record that will stand unblemished for a long time in the annals of Nazareth Area High School.

## Nazareth Area Basketeers Place Third in League

During the 1952-53 basketball season the Nazareth Area High basketeers fared well as they garnered an impressive record of 10 wins and 8 losses, two of the losses being in non-league competition.

Placing third in both halves of league play, Nazareth also established a new individual high scoring record for one game, 94 points, against Pen Argyl on the home court.

The cagers showed a never-die spirit and plenty of hustle which earned them upsets over Parkland and Coplay. Their untiring efforts also resulted in victories over every league team except Wilson.

Coach Smith will rely on the returning varsity members and several potential J. V. players for next season's cage wars. The varsity players returning next year are Robert Shekletski, William Agnew, Dale Miller, Frank Nikles, and Richard Werkheiser.

# Undefeated Wilson Brothers Wrestle

*Wilson goes in for a take-down*

*Alich reverses his opponent*

*Noversel maintains offensive control*

*Frantz spars with his opponent*

Although greatly improved over last year's team, our matmen met with stiff competition and had to settle for a five-win, five-loss record to finish in a tie for third place with Easton.

At the conclusion of the regular season, the District Meet was held to determine the best wrestler in each of the eleven weight classes. Nazareth had two district champs—Harold Wilson in the 105 and his brother John Wilson in the 135 pound weight class. Losing in the finals, William Daney and Richard Hooper placed second in the 122 and 187 pound weight classes.

After tying a league record of pinning eight opponents in ten matches and breaking a school record by registering an eight-second pin, undefeated Harold Wilson beat Gaines of Easton 8-1 in the final round to gain his crown. John Wilson, who was one of the four wrestlers to win all ten bouts in one weight class, bested Laury of Northampton 7-0.

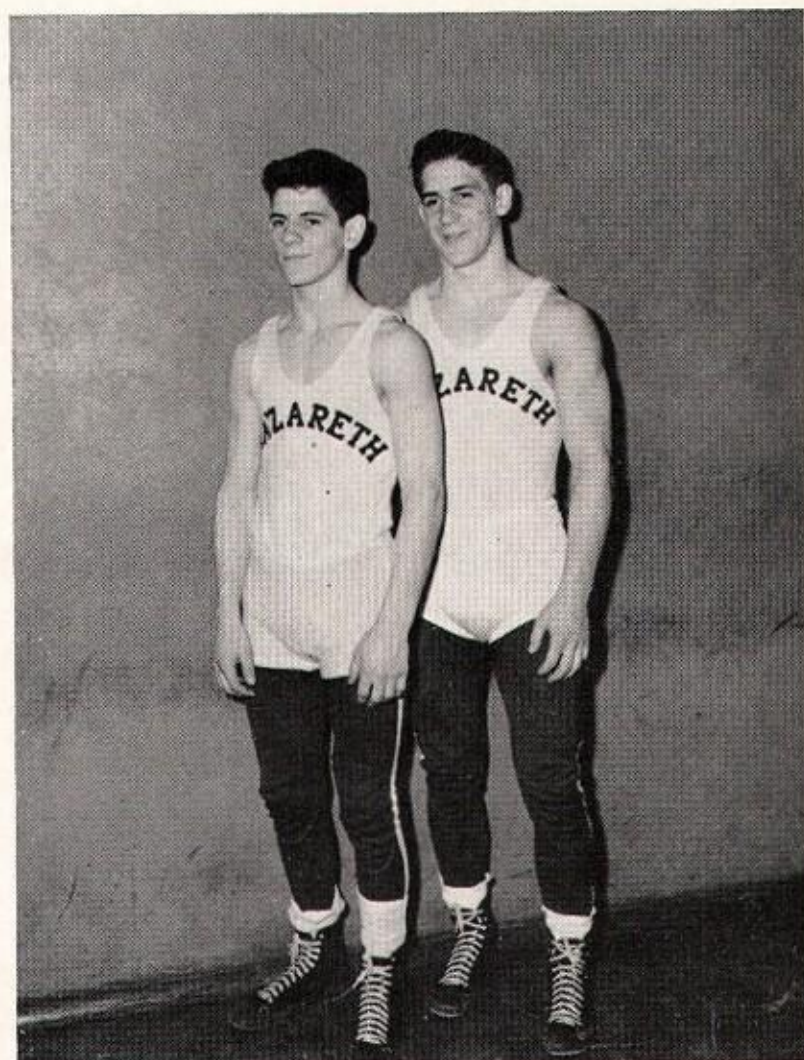

In the regional finals Harold Wilson placed second when he lost a referee's decision to the defending regional champion, Zikowski of Kingston, after the score had been knotted 6-6. John Wilson also placed second when he lost in the final 3-2 to Courser of Forty Fort.

## Diamond Performers Win Second Place in League

In spite of a rebuilding season, the baseball team surprised their opponents by winning seven out of twelve games. Six of these victories were conflicts in an eight-game league schedule with Nazareth finishing second in a highly competitive nine-team league.

The most outstanding game of the season for Coach Leh's diamond performers was the Nazareth-East Stroudsburg tilt. In this game N.H.S. beat, by an 8-7 score, favored East Stroudsburg and the previously unbeaten Ray Steele, who had been scouted at every game by the big league scouts.

Because of the large number of underclassmen on the 1952 squad, the prospects are bright for the 1953 baseball season.

In the Lehigh-Northampton League meet, the squad placed third in a field of five. The team placed eighth in a field of ten in the Penn Relays. They scored two points in the District XI meet.

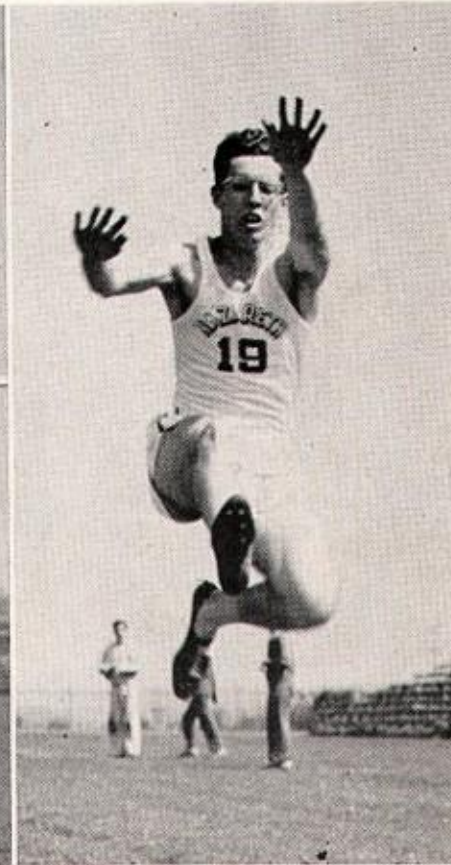

Highlighted by two broken records, the Blue Eagle track squad racked up an average season of two victories against three setbacks in dual competition. Leaping 19' 10½", Glenn Boerstler broke R. Ahern's 1950 broad jump record of 19' 5¼". Larry Sherman ran the mile in 4 minutes 58.4 seconds to eclipse the old record of 5 minutes 1.6 seconds chalked up by E. Levan in 1941.

## All Classes Share Intramural Honors

Beginning with the opening of school in September and continuing until May, each Tuesday and Thursday when the 3:46 buzzer sounded, the sports-minded girls dashed for the gym to participate in intramural sports — hockey, basketball, volleyball, and softball.

The Hockey Varsity 11, captained by Barbara Cressman and Phyl Happel, and the Question Marks, captained by Ruth Dieter and Jackie Hartman, ended the season in a tie with one win, one loss, and two ties each. The individual high scorer was Myrtle Shafer, a sophomore, with three points.

Led by Captain Barbara "Jeanie" Mengel, our enthusiastic cheerleaders were at all football and basketball games to urge our boys on to victory.

Meeting every Thursday during the eighth period, the cheerleaders, working in close conjunction with Mrs. Margaret Heckman, composed new cheers, new motions, planned pep meetings for the Nesquehoning, Pen Argyl,

Bangor and Wilson football games, and trained candidates for cheerleading.

Mrs. Margaret Heckman is adviser of the cheerleaders.

MANAGERS AND ASST. MANAGERS OF GIRLS'  
INTRAMURAL SPORTS

With the opening of the basketball season in January, 107 girls rushed to participate. Captained by Betty Engler, the Gro-Pups won the school championship from the sophomore winners by a margin of ten points. High scorers for the season were Margaret Woodring with 47 points; Barbara Cressman, 42 points; and Allene Solt, 25 points.

With the crack of a bat and the sound of running feet, the softball season opened. When the weather permitted, these girls were out on the field from 4:00 until 5:00 o'clock each Tuesday and Thursday. Captained by Jackie Hartman and Marilyn Elkins, the Checkerboard Kids, then juniors, were the school champions.

Mrs. Margaret Heckman coaches all girls' sports.

 PATRICIA MEROLA ..... *Secretary-Treasurer*  
 MISS MARIE BRYAN ..... *Class Adviser*

In ninth grade, students anticipate coming to senior high school. When September rolls around and they find themselves sophomores, they must adjust to new surroundings, subjects, and teachers. As the upper classmen and teachers are hospitable, this is not too difficult.

The sophomores have their special social function, the annual Hallowe'en Party, held this year on October 17, 1952, from 7:30 until 11:00 o'clock.

1. *Eight hands around*
2. *Swing your partner*
3. *Sophomores enjoy refreshments at their Hallowe'en party*

During the month of October juniors began to feel important when they ordered their class rings.

By March they were busy planning for their big social event of the school year, entertaining the seniors at the Prom, scheduled this year for May 8.

## ORATORICAL CONTEST

Presented as an assembly program on April 10, the oratorical contest included the following students: Gene Rader, Joanne Roberts, Roma Mary Gruver, Charles Searock, Elwood Wagner, Patricia Merola, James Seyfried, and Carl Metzgar.

Gene Rader won first prize; Elwood Wagner, second; and Patricia Merola, honorable mention.

Mrs. McGonigle worked with the students in preparing their orations, while Mr. Kostenbader supervised the speaking. Miss Marjorie May, a member of the Pen Argyl High School Faculty, was the judge.

1. Mr. Walter Fly measures juniors — Stofflet, Zellner, Happel, Hagenbuch, and Altemose — for their class rings.

2. Junior class officers: Fehnel, Shekletski, Zellner, and Mr. Hughes, Adviser.
